Dated, Mysore, 17th-Jany-1922

[illegible] Commissioner,

[illegible], Esq., M.A.,B.L.
[illegible] to the Government of
His Highness the Maharaja of Mysore
[illegible] Department. Bangalore.

In submitting herewith the file of vernacular correspondence ending with French Rocks Sub Division Officer's report No.T.R 126-21-22 dated 5th December 21, on the subject of the levy of rent from persons occupying the Sri Chamarajendra memorial Chattram at Seringapatam for purposes of the celebration of Upanayanam or wedding ceremonies, I have the honor to state, that it is true, during the occasions of the kind, the persons occupying the building will have a free use of the vessels and furniture belonging to it, and it is very likely that they get either worn out by frequent use, or damaged by rough handling. In either case such articles require periodical repairs. Moreover, the building itself gets dirty by frequent use of this nature and white or color washing to it will become often necessary. The cost required for all this, will have to be met entirely out of the funds at the credit of the institution. With a view to minimise the expenditure from the institution funds, as far as possible, the local officers including the Dharmadarsis suggest that a fee of Rs.3/- in the case of a function of one day and Rs.10/- for one of five days, — whether it be marriage or Upanayanam - be levied from persons occupying the building during the season.

2. It is reported that though for a function of one day, people require the use of the building for at least three days and similarly 8 days for a five-day function..

3. As such, the rates proposed are not much when compared to the facilities the public can command and they may therefore be adopted

4. The matter may kindly be placed before Government and their orders obtained on the subject.

I have the honor to be, Sir,
Your most obedient Servant
[signature]
for Deputy Commissioner.
